Vishakhapatnam , India

PROFILE

Motivated and communication-focused graduate seeking an opportunity as an **IT Recruiter / Resource Executive**. Possess strong interpersonal skills, excellent verbal and written communication, and the ability to engage effectively with candidates. Quick learner with a positive attitude, target-driven mindset, and keen interest in talent acquisition, candidate coordination, and end-to-end recruitment processes.

PROFESSIONAL EXPERIENCE

Customer Support Executive - Tech Mahindra, Vishakhapatnam **May 2025 – Till date**

- **Proactive Problem Resolution:** Delivered high-quality technical and functional support to diverse users, ensuring swift resolution of complex inquiries within the **U1 band** service level agreements (SLAs).
- **Analytical Troubleshooting:** Leveraged data-driven insights and systematic debugging to identify root causes of customer issues, reducing repeat tickets and improving overall user satisfaction.
- **Technical Communication:** Acted as a bridge between end-users and technical teams, translating intricate technical concepts into clear, actionable guidance for non-technical stakeholders.
- **Operational Excellence:** Managed high-volume support queues at the **Visakhapatnam office**, consistently maintaining top-tier performance metrics and quality assurance scores.
- **Process Improvement:** Contributed to the internal knowledge base by documenting recurring issues and solutions, streamlining the onboarding process for new team members.
- **Client Relationship Management:** Fostered long-term customer loyalty by providing empathetic, professional, and efficient support, directly contributing to the organization's reputation for service excellence.
